IN THE CLAIMS

Please cancel dependent claims 3-10, without prejudice.

REMARKS

The foregoing amendment is pursuant to a telephone interview today, April 18, 2002 with the Examiner.

All claims have been allowed previously pursuant to the March 13, 2002 interview and the amendment of the same date. However, thereafter an Advisory Action dated March 29, 2002, the claims were rejected stating:

"The purposed claim 1 with the added limitation from claim 2 raises new issues with respect to claims 11-18. Similarly, proposed claim 19 raises new issue of the electrical box."

Applicant respectfully traverses that any new issues are raised, and moreover an agreement was previously reached. Nevertheless, Applicant has cancelled claims 3-10 so that to the extent that they represent any redundant claiming, this minor formal matter has been addressed.

Applicant respectfully requests allowance of the claims now pending.

Respectfully Submitted,
